

## Press Release

Brussels, February 2022

# ChargeUp Europe Elects Board Members

On 9 February 2023, ChargeUp Europe's General Assembly of the Members held elections for the Board of ChargeUp Europe. Four seats were up for (re)election. They were filled by EDP, Fastned and GreenWay, who were re-elected, while BP is joining the Board as a new member company.

The new and re-elected Board members are joining ABL+reev, Shell, as well as ChargeUp Europe founders Allego, ChargePoint and EVBox. The following member companies now make up the full ChargeUp Europe Board:

- ABL+ reev (Eduard Schlutius)
- Allego (Mathieu Bonnet)
- BP (Aurélie Balcon)
- ChargePoint (André ten Bloemendal)
- EDP (Vera Pinto Pereira)
- EVBox (Remco Samuels, ChargeUp Europe President)
- Fastned (Michiel Langezaal)
- GreenWay (Peter Badik)
- Shell (Florian Glattes)

ChargeUp Europe Secretary General Lucie Mattera commented on the Board elections: "All our Board members are deeply committed to ChargeUp Europe's mission to deliver a seamless charging experience for EV drivers, incentivising investment and creating a consumer-centric, open market model for charging infrastructure in Europe, and will give an invaluable steer to our work and operations."

"Being a pan-European organisation that represents the whole electric vehicle charging infrastructure ecosystem, it is positive that the Board member companies occupy different positions in the EV charging value chain, bringing in complementary perspectives, strengths and geographies." Mattera added.

### About ChargeUp Europe

ChargeUp Europe is the industry association for the electric vehicle (EV) charging infrastructure sector. Our association works to accelerate the switch to zero emission mobility and ensure that EV drivers can enjoy a seamless charging experience with access to high quality, readily available charging infrastructure across Europe. As of today, our member companies are active in all 27 EU Member States, the UK and EFTA, with over 500,000 charging points in the EU.
